AMERICA BEFRIEND.

O Lord our God, Thy mighty hand
Hath made our country free;
From all her broad and happy land
May worship rise to Thee.
Fuitill the promise of her youth,
Her liberty defend;
By law and order, love and truth,
America, America befriend!

The strength of ev'ry state increase
In Unions golden chain;
Her thousand cities fill with peace,
Her million fields with grain.
The virtues of her mingled blood
In one new people blend;
By unity and brotherhood,
America, America befriend:

O suffer not her feet to stray;
But guide her untaught might,
That she may walk in peaceful day.
And lead the world in light,
Bring down the proud, lift up the poer,
Unequal ways amend
By justice, nation-wide and sure,
America, America befriend!

Thro' all the waiting land proclaim
Thy gospel of good will:
And may the joy of Jesus' name
In ev'ry bosom thrill,

Thy holy reign extend;
